  14. SMITH AMANDA
  15. SMITH LESLIE
  16. MARTINEZ MAYRA

1) Hurricane Prep solicitation. Responses directly to Harvey Knull please.

Dear Friends,

This is a request of each of you to indicate what specific problems and or accommodations TAMUCC would need to make to sustain research should there be a major weather event that would lead to closing the University

1) for a week

2) for substantially longer than a week

Thank you.

Harvey

2) Faculty Senate report (Gregory)

3) Status of 120 hour degree plans (Jennifer)

4) Introduction of BIOL Special Topics class for offering in SSII: [BIOL 4590](#): GIS in the Biological Sciences
